# Equipping the Saints

A Transformative Campaign  
for the Episcopal Church  
in Alabama

# Equipping the Saints

Total Campaign Goal: **\$7.5 Million**

*Equipping the Saints* is a bold vision for the future of the Episcopal Church in Alabama. This campaign will expand our capacity to share the Gospel and to equip saints for Growth, Formation, and Reconciliation.

## CONGREGATIONAL VITALITY: Equipping the Saints for Growth Goal: **\$4 Million**

Jesus calls us to go and make disciples. We will expand our capacity to share the Gospel by making transformational investments in parishes, forming new Episcopal communities, and strengthening lay and clergy leaders. Through innovative strategies, we will secure a vibrant future for the Episcopal Church in Alabama and ensure a legacy of faith for future generations.

## CAMP MCDOWELL: Equipping the Saints for Formation Goal: **\$2.5 Million**

Each year, thousands of campers, students, teachers and guests visit Lower Camp at Camp McDowell. They come from our diocese and from across the state to grow in discipleship and connect with neighbors, nature, and God. By attending to essential maintenance, we enhance opportunities for Christian formation and meaningful relationships.

## RACIAL HEALING & PILGRIMAGE: Equipping the Saints for Reconciliation Goal: **\$1 Million**

We will create pathways to racial healing by preserving and strengthening The Church of the Good Shepherd in Montgomery, encouraging the spiritual practice of pilgrimage, and training our leaders to guide individuals and parishes toward healing. People from our diocese and across the country will experience the reconciliation given to us by God in Christ.
